Oak Caramello, 15 lively - 10158509
SPINPARK (827x130x9.5mm)
Bauwerk Parkett

<https://www.bauwerk-parkett.com/ch-de/> | info@bauwerk.com

Type: Parquet | Oak

A-Side

A play on natural diagonals and a metamorphosis of forest to parquet: the concept of Spinpark is down-to-earth and simple. On the other hand, the close interconnection of nature and the craft of laying parquet, paired with a new cutting technique, brings out a completely new space for creativity in flooring. It offers unique visual compositions that are a fitting match for the versatility of wood as a material.
